RockAuto is consistently adding to the RockAuto Parts Catalog. Some exciting new additions include (parts not available for all vehicle applications):

* K Source Back-up Camera System (Part # VS8) - Comes complete with a high performance reverse CCD camera (LED light allows for some vision at night), mirror with built-in color LCD monitor, and installation cable. Universal-fit back up camera systems are found in the RockAuto catalog's "Tools & Universal Parts" tab under the "Accessories" category.

* K Source Mirrors: K Source mirrors and replacement glass at reliably low prices for a wide variety of vehicles. We are currently offering a special promotion on K Source's Snap & Zap towing mirrors! Receive an instant 10% rebate in the RockAuto shopping cart on any Snap & Zap towing mirrors through February 19th. You can find the Snap & Zap "Outside Mirror Extenders" under the "Accessories" category for specific vehicles in the RockAuto catalog.

* Spectra Premium Fuel Tank & Pump Assemblies: Includes all necessary strainers, lock rings, o-rings and other pieces to ensure you will have all the components necessary to get the job done efficiently and successfully.

The always-growing RockAuto.com catalog is easy to use and includes a great selection all at reliably low prices. Check out the catalog and find what you need today!
