

Strut / Shock Absorber Rebates

Posted by RockAuto - 2015/09/25 09:46

Monroe is again offering their "Shocktober, Buy 4 for the Price of 3" promotion on shocks and struts, but you do not have to wait for October. Take advantage of Monroe's Shocktober and Gabriel's "Legendary Sales Event" right now at RockAuto. Look up your specific car or truck in the RockAuto online catalog and watch for the rebate/promotion star icons (<http://www.rockauto.com/catalog/images/sale5white.png>) next to the shocks and/or struts.

Manufacturer rebates do not work in all countries, but RockAuto's broad selection of shock manufacturers (BOGE, BILSTEIN, KYB, SACHS, SENSEN and more) coupled with reliably low prices, means customers can get the right shocks no matter where they live.
