

## Holiday Greetings to All

Whatever you celebrate, I wish you all a Great Holiday Season and a Healthy, Prosperous 2016!

Usually those of us on the East Coast are jealous of those on the West Coast as far as the December weather is concerned. Something weird is going on this year - it's flipflopped. I would be perfectly comfortable taking the 2+2 for a drive right now and - if it were a convertible - would probably put the top down. I know it's only temporary, but I'll take it.

For 2016, once we get to the REAL car season, I hope to see many of you at the POCI Convention in Iowa, or at the Pontiac Nationals in Norwalk. I'll also be at AACA meets in Williamsport and Hershey, PA. If you're there, please look me up to say "Hi".

Regards,  
Jack
