I received a message from Jeff in New Zealand as follows:

I am looking to buy a 1965 2+2 price range up to
> \$ 30000. preferably in reasonable to good condition.
> I would like to give you a call if you could let me know a suitable time to call or you could call me on
> +64210685177. I am in New Zealand.
> Thanks
> Jeff

Unless you don't mind the toll call, you can reach Jeff via email at leask_fam@xtra.co.nz

He's a serious buyer, currently owns a '61 and a '63 Pontiac.

Anyone who has a '65 coupe with a solid body & frame, no bondo, and looking to sell, this guy is ready with cash. I've spent a considerable amount of time helping him find the right car and he is serious. West Coast is preferable for shipping costs, but he is willing to spend what it takes to get it from there East if it is rust free.
Call me if you are considering selling.

I found a nice original '65 coupe for Jeff in New Zealand - WH Tri-Power, 3-speed manual, burgundy with black interior. I drove from Delaware to North Carolina to pick it up, brought it back to await shipping. Mission accomplished!
