Two Milestones
Posted by OldInjun - 2016/05/06 18:34

_____

Your Registry host celebrated two major milestones today:
I turned the Big 70.

....but enough about me - more importantly, we registered our 300th Pontiac 2+2 today!

Thanks to everyone who took the time to register, and especially those who've supported this effort with donations and/or forum posts. I sincerely value the friendships formed over the last 6 years with fellow 2+2 owners and fans.

Jack
