I can't find it. Hopefully someone did a "buy-it-now". It would be nice to see a 2+2 go for that price. I think they have long been undervalued.

Here's the eBay listing (item number 280542006293):  
280542006293

Oddly, it was listed as a GTO. It closed without any bids.

Tracked the car sale back to the Ohio dealer web page. Shows the car sold for \$59,900 at [www.bestofshowautomotive.com](http://www.bestofshowautomotive.com)

I saw this car at POCI 2009 in Dayton. Very nice, except the for the repro seat upholstery. The pressed pleats lacked depth and definition, looked cheap compared to originals.
