

## Larry Kosek video

---

I just returned from a trip to Iowa for the annual POCI Convention. Great time as always, and proud that my '65 earned a Champion Award.

I had the opportunity to speak with Larry Kosek and his lovely wife. Larry ran a 2+2 Registry in the early-mid 1990's (see a copy of Larry's registry under the "Articles" tab). I told Larry that I had recently stumbled across a You Tube video featuring Mrs. Kosek's '65 2+2 coupe (since sold). I thought it would be of interest to other 2+2'ers, so you can find it under the "Gallery" tab - or [click here](#)

While you're at it, if you haven't done so before, you might browse through the other pictures & videos. If you know of others that you think are share-worthy, send me a link.
