

1964 2+2 Pontiac

Posted by cucu callies - 2017/08/15 16:37

2 year restoration will be complete within 90 days. Base coat/clear coat Grenadier Red PHS match. Currently has Doug Nash 5 speed manual transmission. Black interior, bucket seat. Too good to be a daily driver. SELL or trade plus cash. Contact Doug Callies 618 830 7178.^

Car no longer for sale.

I just spoke with the owner of this '64 2+2. It is nearing the completion of a professional restoration, and will be available in late November - December.

The car is red w/black interior. It has the original 389 engine, converted from 4BBL to Tri-Power. For ease and economy of driving, a 5-speed manual trans has been added. Has 8-lug wheels.

Sounds like a very desirable '64. Stay tuned for pictures shortly.

You may contact the seller, Doug, at 618-830-0814.

I may be interested in your car. I'd consider trading my 67 Chevelle super sport convertible with nos match rare L78 engine for your 64 or a 65 (for anyone else viewing this post)
