

## Registry Store Items

---

Wave the 2+2 flag while supporting your favorite Registry!

Some of you have supported the 2+2 Registry in the past with hat or shirt purchases. I have expanded the number of offerings in the Registry Store (coffee mugs and window clings), and I hope you will check them out - see the link on the home page.

My favorite is the removable static window cling, because it gets the word out at shows, and it's easy to mail!

Aside from some generous member donations and the Store sales, this website is wholly funded out of my own pocket. Your support is welcome.
