

8lug - Mike Strong

Okay, so the Member-of-the-Month thing hasn't garnered much attention, but, appropriately on this Thanksgiving Day, I want to highlight the contributions of Mike "8lug" Strong. Mike was one of the first to join the Registry, only 4 months after it went live online in 2010. Its always a pleasure to share his company at the annual POCI Convention and the Tri-Power Nat's in Norwalk. Mike is also a charter member of the POCI 2+2 Chapter. I can always count on his help setting up chapter displays and meeting rooms. Mike is a "go-to" guy for all occasions! Not surprisingly, Mike is now the first contributor to the fundraising call I made to rebuild the 2+2 Registry website. His generosity is really appreciated and deserves every members thanks.

Thanks for All You Do, Mike!
