Registry member & former POCI President Steve Peluso is arranging a dedicated parking area for Pontiac 2+2's at the upcoming Tri-Power Nationals at Summit Motorsports Park, Norwalk, OH, on Friday-Sunday August 12-14.

Steve needs a car count ahead of the event], so the promoters can set aside enough car spaces. Please call or text Steve directly at 508-478-8900 ASAP. The more cars that show up, the better our chances of making this an annual get together.

If you've never been to the Norwalk show, you are missing out on the best all-Pontiac event of the year - huge parts swap meet, car show, and the best Pontiac drag racing on the planet, all in one place. Hope to see you there!
