

Pontiac's Demise

Posted by OldInjun - 2010/10/31 18:51

Just found this article on MSN - [Click here for link](#)

I found it unusual that they mentioned the 2+2's, since it seems few people outside our little fraternity even know what they are.

My 2 cents - as long as people like us continue to preserve, cherish, and drive our prized Pontiac's, the marque will never die.
