

How about (2) 1967 2+2 verts for sale on ebay??

Posted by BigBrother - 2010/11/22 22:23

Rare to see any.... so how about 2 for on auction at same time...

Wow - two very nice cars. Which one to buy - stunning blue/white color combo with buckets, or 4-speed, hood tach car? Might have to take both!
Need a quick PowerBall win here...

Interesting back & forth on eBay on the green car. Dubious pedigree for certain, probably a NOM clone.
