

1965 2+2 Coupe

Posted by OldInjun - 2010/12/20 11:49

Spied this 1-owner 2+2 for sale by Steve @ Indiana Pontiacs Click here for link
Looks like a nice entry-level 2+2.

The secret's out - better hurry!
Good luck with that.

I wish. I was just visiting it that day. Wishing and wishing and wishing. :) It is for sale. YJ on the

column TI ignition, posi, Not sure of the ratio. I could not find the code through the crude on the axle housing. I posted the trim tag earlier. Block and heads cast 2 weeks before trim tag date. iirc 3rd week November?
