

Barret-Jackson Los Vegas

Posted by john - 2010/12/25 19:49

Just saw a champagne '65 2+2 hardtop sell at \$24,500 gorgeous car....

It was nice to see them gush over the 2+2..That car was sold at the Sept Vegas Barrett Jackson (repeat on Christmas) auction and was also sold in June at the RM Auction in San Diego for around the same money. Saw it in person and prob a \$20k car at best but they got excited at the auction.
