

1965 2+2 in Smoke Signals

Posted by OldInjun - 2011/01/04 13:11

I don't recognize this car, apparently in SC, looks nice in a small picture. It appears to be teal color.

Ad reads:

Very high option car, PHS Docs, CA car, 63K miles. Numbers match. Front end & brakes rebuilt. 8-lugs never turned. New water pump, alternator, motor mounts & trans mount. drives like new.

Ad placed by Gene, phone 803 428-5378. Asking \$24K.
