

## 1986 Aerocoupe 2 + 2 wheel trim ring

Posted by dicfel - 2011/01/13 12:01

---

I am looking to buy a 1986 Aerocoupe wheel trim ring.

Must be in original condition without any dents, scrapes, or scratches.

I have a 33,500 mile completly original car , however 1 wheel trim ring has a 1 1/2 in scrape (curb rash).

I would be willing to swap the slightly damaged trim ring, plus cash, if someone has a car that is less than perfect on which my slightly damaged trim ring would not be objectionable.

You also might look into having your trim ring restored. I've used both Frankford Plating in Philadelphia and Librandi's Plating in Middletown, PA, both with excellent results. Looks like you're near NYC, so I'm sure there's someone up your way that would do it.
