

Ames Tri-Power Nats - Norwalk, Ohio

Posted by OldInjun - 2011/08/02 18:21

This weekend @ Summit Raceway. One of the biggest Pontiac events of the year - drag racing, judged show, flea market.

Should be on every Pontiac person's bucket list.

Look me up on the show field under the blue canopy - I always enjoy putting a face to a user name.

I hope to make it, I will not have my 2+2 though. I'll be sure to look you up and share some shade. Mike

It was a fantastic show. It was very nice seeing everyone and meeting a few new 2+2 fans!

Expect to be there this year. 1966 Black Convertible, KY license plate. Missed last year due to trip out West. Really enjoy

Norwalk, Ames people are great. Last year was the first I had missed in 5 years.

I'll be on the show field Friday & Saturday - look for the blue canopy with the Registry logo and say "Hello".

I'm not looking forward to another 9 hour drive, as I just did it on Sunday, returning from POCI/GTOAA Co-vention in Dayton, but I won't miss Norwalk. At least those events will be farther apart on the calendar next year.

This will make my 7th trip to Ohio in 4 years, plus conventions Illinois, Kentucky, and West Virginia. Odometer turned 90,000 on the Dayton trip, 18,000 of which were in the last 4 years. Just wish my 2+2 had a/c!
