are there any local car shows not yet mentioned in the DE/MD/PA area in the next 2 weeks,
...or any 2+2 gatherings we could arrange?

There is the Kirkwood Cruise this Saturday, from 4:00 to ?? This is the 3rd annual, and it's building every year. About 600+ cars of all descriptions last year, cruising back & forth on Kirkwood Hwy, stretching from Wilmington to Newark, DE (about 10 minutes off Route 95). It was started as an East Coast alternative for those who can't get to Woodward Avenue. Maybe someday it will rival the Woodward Dream Cruise!

Kirkwood Cruise was rained out last Saturday, I think they are trying again this Saturday.
