

## Canadian production numbers?

Posted by OldInjun - 2011/12/26 14:03

---

Anyone who has production figures for Canadian-built 2+2's, please send to me & I will post on the site.

Hi,

Perhaps if you check with the guys over at Canadian Poncho ([www.CanadianPoncho.activeboard.com](http://www.CanadianPoncho.activeboard.com)) and they might be able to help you out. However in Canada, I believe it was only the Parisienne that offered the 2+2 trim level.
