

Atlantic City Car Auction 2/24-2/26

Posted by OldInjun - 2012/02/01 10:29

I always consider the Atlantic City Auction to be the "early-bird special" of the car season - a break from the winter dearth of auto-centric events for those in the chilly Mid-Atlantic region. Lots of vendors, a decent selection of cars for sale in both an auction format & in a car corral. Can't say much good about the food court, though - bring cubic dollars.
