For those who haven't noticed (which would be the majority of you), there is an orange shopping cart on the right side of the home page. 'Tis the season, so click the cart and buy your honey a T-shirt or hat to fly the 2+2 Registry flag. Heck, buy yourself one while you're at it. And buy your car a license plate, or for your dog a very, very large collar tag (identical to the license plate).

All proceeds go to me, since I am the only one footing the bill for this here website. Remember, dues are free, so please support your local car registry.
