

WTB - '65 2+2 Coupe

Posted by OldInjun - 2013/11/04 15:44

I just received a call from new Registry member "Butch". Like many of us, he is looking to rekindle his youth and get another 2+2 like the one he had back in the day. He's in Texas, so I'm guessing the closer to there the better.

He would like a '65 coupe, preferably with a manual shift, but would consider something different if it is the right car for him.

Reach out to Butch directly at 806-265-5240 if you have something to offer.

Good luck, Butch!
