SOLD

Selling my 1966 factory documented (PHS) four speed convertible 2+2. Pictures can be found under Duncan22 in registry.

Have made a few modifications for safety (power steering & brakes) and added a totally restored tri power setup done by

Mike's in Peoria. Car is painted in single stage Cameo Ivory with new black power top and interior.

Original 421 and Muncie M20 and 3.42 rear end.

Car looks great and runs strong.

Car is located in Southern CA.
