

## 455 Crankshaft

Posted by OldInjun - 2014/02/03 10:03

---

Time to start the engine build on my '63 Cat.

I need a stock, uncut 455 crankshaft. Also any bolt-on stuff like pulleys, timing cover, fan & clutch.  
Numbers matching not important.

Call me at 302 353-0244.

Thanks,

Jack
