

## POCI Convention, Wichita, KS June17-21

Posted by OldInjun - 2014/06/04 10:27

---

Click here for link

Pontiac-Oakland Club International's annual gathering - several shows in one venue - concours judged, popular vote, "Road Warriors" for your semi-daily drivers. Big parts swap meet. Pontiac drag racing. Pontiac celebrities. Technical seminars. Great cars and a great gathering of like-minded Pontiac fans. What more could you want?

Look me up if you're there. I'll be accompanying the only (I think) Fontaine Blue '65 2+2 coupe in the points-judged class.

If you are a POCI member, the conventions are a must!

If you're not a member, why not?

It's here!

Convention events start Tuesday 6/17. If you're within reasonable distance this should be on your list of "must do's".

Hot & humid here at POCI Wichita, but the venue is nice and everyone appears to be having a great time.

I stopped on the way to Kansas to take part in the AACA Meet at Lebanon, TN - just east of Nashville. Cool place for a car show - Fiddler's Grove is a re-created turn-of-the-Century (1900, not 2000) village with original buildings transported to the site from around Tennessee. The car was awarded a Grand National 1st Place.
